RE Public Records Request

Ms. Valverde,

I am requesting access to inspect the following public records:

For fiscal year ending 2009

Names of all persons who have recieved payments from the County of Sacramento using an Individual Taxpayer Identification Number instead of a Social Security Account number. Branch of the County those persons were authorized to recieve payments by, and general description as to the nature of the payment

Names of all Companies who have recieved payments from the County of Sacramento using an Individual Taxpayer Identification Number. Branch of the County those companies were authorized to recieve payments by, and general description as to the nature of the payment.

For your information, although you probably already know, the ITIN can be searched for rather easily by using the Internal Revenue Services description:

"An Individual Taxpayer Identification Number (ITIN) is a tax processing number issued by the Internal Revenue Service. It is a nine-digit number that always begins with the number 9 and has a range of 70-88 in the fourth and fifth digit, example 9XX-70-XXXX."

For the time being, I'm only requesting to inspect the records. Please advise me of any charges in advance.
